Subject: Welcome to the IEEE EUROCON 2017 program committee!

Dear Nadezhda Markova,

You were added to the program committee of IEEE EUROCON 2017 (IEEE EUROCON 2017 – 17th IEEE International Conference on Smart Technologies). This message contains information on how to use EasyChair as an IEEE EUROCON 2017 PC member. The EasyChair IEEE EUROCON 2017 Web page is

<https://easychair.org/conferences/?conf=ieeeeurocon2017>

If you have no EasyChair account you should first create an account. To this end, you should use the above mentioned Web page and click on "I have no EasyChair account".

If you have an EasyChair account, then you will not be able to access the IEEE EUROCON 2017 program committee Web page using that account, since the email address nadya@orgchm.bas.bg used to add you to the program committee is not associated with your account. In this case you should do the following:

- (1) Log in using your account information.
- (2) In the EasyChair menu, follow the menu tabs
"EasyChair->My account".
- (3) Add nadya@orgchm.bas.bg
as an alternative email address to your account.

Best regards,
EasyChair messenger.

Please do not reply to this email. This email address is used only for sending email so you will not receive a response.
